

Fact Sheet: Governance and Leadership

The Workforce Innovation and Opportunity Act (WIOA), signed into law on July 22, 2014, is the first legislative reform of the public workforce system in 15 years. The law supersedes the Workforce Investment Act of 1998 and amends the Adult Education and Family Literacy Act, the Wagner-Peyser Act, and the Rehabilitation Act of 1973.

WIOA presents an extraordinary opportunity to improve job and career options for our nation's workers and jobseekers through an integrated, job-driven public workforce system that links diverse talent to businesses. It supports the development of strong, vibrant regional economies where businesses thrive and people want to live and work.

WIOA retains the nationwide system of one-stop centers, which directly provide an array of employment services and connect customers to work-related training and education. WIOA furthers a high quality one-stop center system by continuing to align investments in workforce, education, and economic development. The new law places greater emphasis on one-stops achieving results for jobseekers, workers, and businesses. WIOA reinforces the partnerships and strategies necessary for one-stops to provide job seekers and workers with high-quality career services, education and training, and supportive services they need to get good jobs and stay employed, and to help businesses find skilled workers and access other supports, including education and training for their current workforce.

HIGHLIGHTS OF THE WIOA REFORMS FOR GOVERNANCE

WIOA seeks to improve the effectiveness of and streamline the governing structures of the public workforce investment system, empower elected officials and workforce boards, establish structures for working regionally aligned with regional economies, and engage the key stakeholders needed to lead the system to achieve the goals of WIOA.

WIOA empowers State and Local elected officials and private sector-led workforce boards with the responsibility of developing a strategic, integrated plan that supports economic growth and labor force needs intended to grow the capacity and performance of the workforce system. WIOA authorizes the following changes:

- Streamlines membership requirements for State and Local workforce boards while maintaining a majority of business representation
- Requires certification and continuous improvement of one-stop centers by the Chief Elected Officials and the workforce boards

WIOA PROGRAMS

WIOA authorizes the one-stop career center (also known as American Job Center) service delivery system and six core programs. The core programs are:

WIOA also authorizes the Job Corps program, the YouthBuild program, Native American programs, and Migrant and Seasonal Farmworker programs, as well as evaluation and multistate projects.

The law supersedes the Workforce Investment Act of 1998 and amends the Adult Education and Family Literacy Act, the Wagner-Peyser Act, and the Rehabilitation Act of 1973.
