

## Summer Youth Employment Program 2014!

The Monterey County Office for Employment Training (OET) is operating its annual **Summer Youth Employment Program** for youth ages 16-21!

The **Summer Youth Employment Program** provides youth with an eight-week paid work experience opportunity offered through subsidized job placements in a wide range of community organizations and businesses, starting in June 2014.

The program supports organizations and businesses during peak summer months, and encourage service among students viewed as community leaders of tomorrow.

The program aims to provide youth with the opportunity to:

- Earn money and gain meaningful work experience;
- Learn and develop the skills, attitudes, and commitment necessary to succeed in today's world of work;
- Gain exposure to various exciting career industries; and
- Interact with dynamic working professionals in a positive work environment.

We are seeking employers who are interested in becoming worksites to provide meaningful employment and mentorship opportunities to full and part-time students. The Office for Employment Training will pay the employment wages and provide workers compensation coverage to the youth who qualify. *(All wages and workers compensation are paid to youth for up to 240 hours between June 7 - August 29, 2014)*
